Thank you so much Yolanda. The workshop was great! I know how much work you put into it and I appreciate it.

Great! Thanks so much for workshops. It was so professional! I appreciate all the time you put into making everything perfect. Everyone learned something new and I can't wait to watch them implemented in our classrooms.

Thanks again. Yes, we can put it on letterhead or we have some cards we could write. Just let me know and you can look at them to see which you prefer.

Get some REST!!!!

Jamie
